JJPAF requests that physicians not charge the patient for those professional services associated with this regimen not covered by the patient's health insurer. No claim may be made to any third party payer (e.g., Medicaid, Medicare, private insurance, etc.) for payment for product provided under the Program. The product(s) provided under this patient assistance program may not be sold or traded and may not be returned for credit. This program is limited to patients being treated on an out-patient basis. Please indicate your agreement to the terms of Program participation by signing below. In addition, your signature is intended to confirm to JJPAF that: (1) there is a valid medical need for this patient's prescription; (2) that to the best of your knowledge this patient does not have prescription drug insurance coverage (including Medicare, Medicaid, county funded, or other public programs) for the product(s) listed above; and (3) you are not prohibited from participating in Federally-funded health care programs nor are you on the List of Excluded Individuals/Entities maintained by the HHS Office of Inspector General.
